

Most of our customers are corporations or government agencies, and we are not permitted to disclose their BBS numbers. A few, though, are either customer technical-support systems or for-profit entertainment systems open to the public. Please feel free to call any of them. Ask them what they think of us!

Here are a few of the comments, verbatim, that we have received back on our warranty registration cards:

Excellent software, technical support and upgrade policy.

- Herb Jolly  
Jackson, MS

Best BBS I've ever seen for a micro.

- Rolando Garcia  
Brownsville, TX

Seems to work very well. We will do business again.

- Patrick Hill  
Carlock, IL

First impressions: (1) Excellent response time on delivery of package; (2) set up Major BBS in 5 minutes; (3) straightforward and easy to understand.

- Warren Wu  
Victoria, BC

FANTASTIC! WOW!!!

- Skip White  
Jacksonville, NC

The operators manual is the most clearly written I have used.

- Richard Elam  
La Jolla, CA

When calling other sysop's about this product they were all pleased, esp. your support.

- Nathan Hammond  
Laurel, MD

Easy to install/configure/a real blast!

- Rich Mansfield  
Sunnyvale, CA

I love the ability to attach files to E-mail.

- Ted Parr  
Alexandria, VA

Tore me kicking and screaming from RBBS!

- Gary Hendershot  
Vienna, VA

Great program, excellent documentation!

- Darren Peck  
Dana Point, CA

Your prompt delivery of our order is appreciated. Our customers like the added support we are providing.
